CHARITY GOLF CLASSIC

Welcome

The Golf Committee is delighted to welcome you to this year's tournament at the prestigious Lebovic Golf Club. Known for its exceptional design and outstanding playing conditions, Lebovic provides a beautiful setting for a day of great golf in support of a great cause.

Your participation and generosity make a meaningful difference for young mothers and their children in our community. As a registered Canadian charity, Rose of Sharon depends on community support to provide free programs and services for pregnant and parenting youth. Funds raised at the tournament will help ensure these young families continue to receive the care, education, and encouragement they need to succeed.

We are truly grateful for your support and for being part of this special day. Enjoy the tournament, connect with fellow supporters, and good luck on the course!

About Us

Since 1985, Rose of Sharon Services for Young Mothers has provided free supportive programs and educational services to pregnant and parenting youth while they build greater stability in the lives of their children. Our programs empower young mothers to embrace their strengths, continue high school, build parenting skills, increase child development knowledge, receive personal counselling and have access to food and practical supports needed to raise a healthy family. Offered online and on-site in a welcoming, safe and inclusive space - youth parents set goals and work toward building the future they envision for themselves and their children. 100% of the free programs and services that we offer are funded thanks to program funders, community support and special events like our ***Charity Golf Classic***.
