

## Donation Drive

One of the most urgent needs during the pandemic is access to essential family care items like diapers, formula & groceries. This is a high-needs support that does not have long-term funding, but we will continue to provide it for as long as we can.

We need YOUR help!

We are gratefully accepting donations of:

- ✓ **Diapers (all sizes, esp. size 5, 6 & pull-ups)**
- ✓ **Baby Wipes, Wash & Lotion**
- ✓ **Baby Formula/Food**
- ✓ **Non-perishables** (pasta, rice, crackers, granola bars, cereals, oatmeal, jam, peanut/almond butter, canned veggies/fruit & soups, apple sauce, taco kits, etc.).

We are holding a donation drive Tuesday's (9:30-12:30) & Wednesday's (11:00-3:00) through July.  
To book an alternate day, reach out to Justine Kobitowich, Nutrition & Resource Coordinator at 289-763-3792

Thank you for supporting the young families in York Region ❤️
